The 1,400 cubic feet and 9,800 pounds cited under the "Relocation Details" is not relevant to the binding estimate. Instead, it is a binding estimate of \$4700.00 based upon our load not exceeding 1,900 cubic feet as detailed under the "Relocation Estimate"

OK....just one last confirmation and we'll get the deposit in. Can you just confirm that section. Send a reply confirming this, and I'll call you with a debit card number. Thanks
