

Hey this is Dee from 2 Sons Transport
When would you like us to get this job done?

I am shopping around for the price at this point. We will make a decision later today.

Is there any stairs at the drop off place. I will give you a quick estimate for the information you provided

Yes. There are between 12-14 steps.

Based on the information you provided, the rate will be \$135 per hour with a 2-hour minimum. This includes 2-3 movers and a truck. You can take your time and I'm here for any questions you may have.

Do you pad or shrink wrap the furniture?

Padding and shrink wrapping would be an extra service. I can provide some moving blankets to place between items in the truck to help prevent scratches, but it's still recommended to have shrink wrap for better protection

We have moving blankets as well.

That works perfectly. We can use the moving blankets to wrap the furniture and secure them with tape at no extra charge. The only additional charge would be for shrink wrap due to the extra time it takes for the workers

Do you assemble beds???

Yes, I do. I usually charge for disassembly and assembly, but if the beds are the only items that need it, I can take care of it at no extra charge

Okay. Are you available to move us on the 15th?

Sure, but the only available time is 4:00PM

We'll take it.

Perfect, can you send me your name, the addresses and your email as well

The truck is running a bit late from Myrtle Beach. Probably around 5:30-6:00. I can come a earlier and move the stuff like in the driveway

Okay, thanks!

Great!

And I'm still stuck in traffic, google maps says I will be there at 5:08. I'm so sorry about this delay

I understand how traffic is. No worries.

Thanks for understanding!

I've arrived to assemble the beds

I waited until 5 and had to be at the other house. Never mind as I will do it myself.

I can wait for you. I finished the break at 4:30 and it took me that long to be here sorry about that

Okay I understand, I come to get the keys from you. Or if you can do it we can leave. Do you want to send the rest of the payment by zelle or a different way?

Where are the screws to the china cabinet???

It's with me I can leave it at the door if you want

That's the best I will do.

I can't do that. It's an extra 5 hours and I will give you an hour discount because I got you a different guys this morning.

I'm at 437 Parish Farms Drive not the new house, just to not get confused

I spoke with my boss, and we want to make sure you're satisfied. We can either come back and paint the wall for you, or refund you for the hour you mentioned earlier, whichever works best for you.

You've done a terrible job and now just read the reviews.
