WARNING: If a moving company loses or damages your goods, there are 2 different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. Understanding Your Estimate

Understanding Your Estimate

Thank you for choosing Safe Ship Moving Services. We are happy to provide you, the Customer, this estimate based on the specific list of items and services you requested at the time this estimate was prepared. TERMS OF PAYMENTS

Upon booking up to a 17% deposit (plus binding estimate fee) is required to be paid in the form of credit card (Visa or Mastercard) cashier's check, or personal check. Please note, credit card payments are only accepted for amounts less than \$2000 and when the move is scheduled at least two weeks in advance. Prior to pickup 50% of the balance is due in the form of credit card, cashier's check, cash, postal money

order. At delivery the balance is due prior to unloading in the form of Post Office Money Order or Cash only. The carrier reserves the right to collect up to 70% of balance due prior to the goods leaving the origin state. Subject to federal law, payment in FULL of all charges is required before delivery and prior to unloading – Subject to the 110% law, if applicable. All charges are based on the carrier's full tariff rates. If payment is not made then the carrier may place the goods in storage until payment is made; in such case the customer will be responsible for all storage and redelivery fees.

CANCELLATION OF SERVICES

Estimates may be canceled penalty free and deposits are fully refundable only if the customer cancels the move in writing, by sending an email to cancellations@safeshipmoving.com during the 3 day window immediately after Bill of Lading is signed subject to 49 CFR § 375.505(h). An estimate/order may not be canceled and deposits are not refundable outside the three day window, or after the mover has begun the physical moving services, including but not limited to: packing, loading, storage, transportation to and from the pick-up or delivery address, etc. Moving services may not begin until the contract for service (Bill of Lading) is signed by the customer authorizing the mover to begin services. Services may not be canceled after the customer's property has been loaded on the truck.

By signing this Binding Estimate for Services, customer is acknowledging and agreeing to the following:

As properly licensed interstate Broker, Safe Ship Moving Services is not a motor carrier and will not transport, pack, or handle an individual shipper's household goods, but will coordinate, recommend, and arrange for the transportation of household goods by an FMCSA authorized motor carrier, whose charges will be determined by its own published tariff. All estimated charges and final actual charges will be based upon the motor carrier's tariff which is available for inspection from the carrier upon reasonable request. In acting as an interstate Broker, Safe Ship Moving Services is not responsible for any acts or omissions of the motor carrier or its employees or agents. Shipper understands that they will enter into a contract (Bill of lading) with the carrier directly; Safe Ship Moving Services is not a party to the contract for moving services (Bill of Lading). Shipper agrees to exclusively pursue the motor carrier directly for all claims for overcharges, property damage, including without limitation, any claims of damage to property, lost or stolen goods, delayed pickup or delivery, actions of estimators, drivers, packers, or movers, or other types of claims. It is the shipper's sole decision to hire the recommended carrier or not. If prior to signing the bill of lading contract, you as the shipper, are not satisfied with the recommended carrier please notify the Broker so an alternate carrier can be recommended and dispatched. Note, that re-dispatching takes several days; this is why we strongly urge you to select a pick-up date which leaves you at least a two week cushion before you must vacate your home. This way if you need to have an alternate carrier dispatched you will have several weeks to reschedule a new pick-up date with an alternate carrier. Last minute pick-up dates are highly discouraged for this reason; please plan for all scheduling contingencies and do not schedule your pick-up date on a date right before you need to vacate your home.

PACKING YOUR GOODS

Packing services, materials, and unpacking services, are available at an additional charge and are only included in this estimate if the services are specifically listed on the services section of the estimate.

CERTIFICATE OF INSURANCE

Some buildings require a certificate of insurance from the mover. Please check with your building management at both current and new locations regarding their requirements. Please notify your Relocation Specialist and we will be glad to assist you. Note: A fee may apply depending on building requirements.

PARKING RESTRICTIONS

Customers must confirm parking restrictions with the building/s management or local police department at both current and new locations in order for the carrier to avoid parking violations. If the truck physically or for reasons of parking restrictions cannot park close enough, Long Carrying or Shuttle Truck Service charges will apply and added to the original agreement.

FURNITURE TRANSPORTATION

The motor carrier requires that all drawers must be emptied prior to the day of move. Furniture with full drawers will not be transported due to high risk of damage to the actual furniture, premises walls and floors.

UTILITIES / APPLIANCES

Make sure that all of your utilities and appliances will be turned off and disassembled from electric, gas and water connections prior to the day of your move. The motor carrier will not disassemble or reassemble any utilities or appliances at both current and new locations on the day of your move-out or move-in.

VALUATION

The carrier provides two valuation options: Limited liability and full replacement value (FVP). Both plans cover furniture and boxes packed/unpacked by the carrier. We suggest you purchase third party insurance to protect your property. Please read carefully before making your selection. Subject to the minimum valuation of \$0.60 per pound per article and in compliance with and subject to the provisions of 49 CFR Section 375.701(a), Carrier cannot control whether proper packing methods are used by shipper, therefore on boxes packed by the owner as well as pressed wood (particle board) furniture, fragile or brittle items such as glass, china, ornaments, etc.; liability is limited to \$0.60 per pound per article. Carrier, or its representative, has the right to inspect and repair any alleged damage. Consumer shipper waives all claims against Carrier and Safe Ship Moving Services for any damage to the interior or exterior of any residence including, but not limited to walls, floors, ceilings, stairs, banisters, carpets, plumbing, doorways, driveways, walkways, landscaping, etc. In addition, customer agrees and is not permitted to move and we will not accept, transport, or store and have no liability whatsoever for firearms, live plants, medicine, medical devices, alcohol of any kind, important financial or identity documentation, jewelry, cash, bank notes, any financial instruments, hazardous materials, pets, liquids or perishable items.

ESTIMATED PICK UP AND DELIVERY SCHEDULE

Each long-distance interstate moving customer will have different requirements as to a delivery timeframe. Some customers need their property delivered as quickly as possible and some customers may wish to wait several weeks, or months, before they receive their delivery. Accordingly, there are two delivery service options available; Premium Guaranteed Service and Standard Service. Pickup and delivery dates are not guaranteed unless the optional Premium Guaranteed Service (P.G.S.) is purchased. Standard Service (S.S.) period is up to a maximum of thirty business weekdays, not including storage time, beginning on the first date indicated as available for delivery (not the date of pickup). The date indicated as "1st available for delivery" is the first date of the delivery window and not the promised

delivery date. Per diem delay rate is \$30.00 (thirty dollars) per business weekday. Business days do not include holidays or weekends. Unless P.G.S. is purchased, the estimated delivery period is up to thirty business days from the date indicated as first available for delivery. All estimated times of arrivals are subject to change depending on many factors such as traffic, weather conditions, unforeseen mechanical problems or unexpected delays. Claims and liability for any pick-up or delivery delay claims are to be exclusively made against the motor carrier. The broker has no liability for the actions, omissions, delays in pick up or delivery by the motor carrier.

NEW BINDING ESTIMATES

If on the day of the scheduled pick-up “it appears an individual shipper has tendered additional household goods or requires additional services not identified in the binding estimate, [the mover is] not required to honor the estimate.” 49 CFR § 375.403(a)(6). However, if the Carrier wishes to service the shipment it must either (1) pickup and transport only the specific items and amount of cu.ft. itemized on this estimate without servicing / transporting the additional items of property. In this case the shipper would only be required to pay 100% of the binding estimate and the remaining balance will be billed after the 30 day deferment. Or (2) Carrier and shipper may execute a New Binding Estimate, in accordance with 49 CFR § 375.403(a)(6)(ii) **PRIOR TO LOADING OR OTHERWISE BEGINNING THE JOB**. This New Binding Estimate given prior to loading will serve as the only active estimate for which charges will be calculated. Warning: To avoid a scenario where a new estimate at a higher price is issued at the last minute on the date of pick up, it is imperative that customer provide the estimator with a complete and detailed itemization of each item to be moved. Leaving out any items to be moved or adding items at the last minute will result in a new estimate at a higher price on the date of pickup.

AGREED MANDATORY CHOICE OF LAW, VENUE AND JURISDICTION

If a lawsuit becomes necessary to resolve any dispute between Safe Ship Moving Services, and shipper, said suit shall and must only be brought in circuit or county court in and for Palm Beach County, Florida. Suits involving disputes over interstate shipments must be limited to the governing federal law. Both parties agree to submit themselves to the jurisdiction of the Florida Courts and agree given the relationship to the state, such exercise is reasonable and lawful. Shipper consents to jurisdiction in Palm Beach County, Florida.

ACCEPTANCE OF TERMS

In signing this agreement I, the Customer, agree and affirm to be true that Safe Ship Moving Services has provided a dated copy of the estimate and charges at the time I signed the agreement. Safe Ship Moving Services has provided me with notification of the methods of payment required to pay the Motor Carrier for balances due which are always certified funds unless signed pre approval has been received. All costs and charges are clearly indicated on this estimate, and the charges represented on this estimate are only for the services and inventory specifically indicated on this estimate. Safe Ship Moving Services sales representative verbally confirmed their role as a Moving Broker/Coordinator to me over the phone prior to placing this reservation.

LIMITATION OF LIABILITY

You explicitly acknowledge, understand, and agree that Safe Ship Moving Services and our subsidiaries, affiliates, officers, employees, agents, partners, and licensors shall not be liable to you for any punitive, indirect, incidental, special, consequential or exemplary damages, including, but not limited to, damages which may be related to the loss of any profits, goodwill, goods, funds, property, use, data and/or other intangible losses, even though we may have been advised of such possibility that said damages may occur, and result from:

a) the use or inability to use our service;

- b) The cost of procuring substitute goods or services;
- c) Unauthorized access to or the alteration of your transmissions and/or data;
- d) Statements or conduct of any such third party on our service;
- e) and any other matter which may be related to our services.

AGENTS

Carrier may use agents/independent sub-contractors on all orders. Additionally, unless customer purchased an "exclusive use of the vehicle" optional service, there is no guarantee that the property will not be temporarily stored or offloaded and reloaded onto a different vehicle then performed pickup and consolidated with other shipments.

CLAIMS

Safe Ship Moving Services, as a licensed interstate Broker, is not responsible for any acts or omissions of the carrier or its employees or agents. Customer agrees to exclusively pursue the carrier directly for all claims for property damage, including without limitation, any claims of damage to property, lost or stolen goods, delayed pickup or delivery, actions of estimators, drivers, packers, or movers, or other types of claims. Carrier shall not be liable for the loss or damage of the goods unless claim is made in writing supported by proof of ownership, value, and weight. As a condition precedent, all outstanding monies due for services must be paid in full before any claim can be made. Claims must be filed within 9 months of delivery or demand thereof is refused and must be limited to the destination descriptions of damages for each item on the inventory logs. All damages and missing items must be noted on the inventory logs. Damage indications must specify each item damaged at the time of delivery.

SUMMARY OF DISPUTE SETTLEMENT PROGRAM

Summary of dispute settlement program: The neutral arbitration program has been designed to give neither party any special advantage. If a dispute arises between Carrier and the shipper arbitration may be a mutually beneficial alternative to help resolve the dispute. Section 49 CFR Section 375.211 provides that a mover must have a program in place to provide shippers with an Arbitration alternative. Arbitration is optional and not required under Federal law. A. Summary of the arbitration process: Arbitration is an alternative to courtroom litigation. It provides each party to the dispute to present their cases and allows a neutral third party arbitrator to make decision as to the merits of each side's case. Arbitration subject to this agreement shall be conducted via written submission and, subject to the arbitrator's discretion, through telephonic appearance. After the initial filing fees have been paid and the arbitrator selected, the initiating party or "Claimant" must submit a written brief summarizing their legal position and factual claims. All supporting documentation must be included with the initial arbitration brief. Copies of all documents must be submitted to all parties involved in the arbitration. Upon receipt of the Claimant's arbitration brief and supporting documents, the responding party or "Respondent" will have 30 days to file their responsive arbitration brief and supporting documentation. Further deadlines and timetables are subject to the arbitrator's discretion. B. Legal effects: If the arbitration alternative is chosen, then any decision made by the arbitrator may be binding. Additionally, an arbitration decision may not be appealed in a court of law. All parties agree that the Arbitrators decision will be based exclusively on the governing United States Federal Law without regard to conflicting State laws or regulations. C. Applicable costs: Each party is responsible for their own costs associated with arbitration. A benefit to the arbitration alternative may be that it is less expensive than traditional litigation. Each party is responsible for 50% of the costs associated with securing the arbitrator and 100% of their own expenses, including but not limited to attorney fees. There is a \$250 filing fee FOR EACH PARTY and a supplemental charge of \$50 administration fee. Call carrier at phone number on front of this form for ADR processing forms.

RELEASE

In the event you have a dispute, you agree to release SAFE SHIP MOVING SERVICES (and its officers, directors, employees, agents, parent subsidiaries, affiliates, co-branders, partners and any other third parties) from claims, demands and damages (actual and consequential) of every kind and nature, known and unknown, suspected or unsuspected, disclosed and undisclosed, arising out of or in any way connected to such dispute.

PROOF OF SERVICE DENIAL

Safe Ship Moving services will not be required at any time to provide proof of service denial. This will be the Customers responsibility. As the Customer, I agree to the applicable terms and conditions relating to pickup and delivery dates detailed above. I agree that Safe Ship Moving Services does not have the ability to obtain signed documentation verifying a service refusal. As the Customer, I agree that Safe Ship Moving Services will not be required to provide proof of service in the case of a service denial or refusal of service. Safe Ship Moving Services reserves the right to retain the deposit of the customer who verbally refuses or denies service without written documentation.

NOTICE OF MAXIMUM AMOUNT DUE ON DELIVERY

Final charges will be based on actual weight or cubic feet/volume of property and services provided. Maximum amount demanded at time of delivery, prior to unloading, is the amount of the non-binding estimate plus 10%; or 100% of the last binding estimate issued before services begin. Actual charges may exceed the amount of estimate if additional services were ordered or required to be performed; if customer moved additional items, weight, or cubic feet; or if extra service options such as packing or storage were necessary.

NOTICE AND WAIVERS

In accordance with 49 CFR § 375.401(a) and 49 CFR §371.113(c)(1), customer agrees to waive a physical survey in-home estimate of the household goods and alternatively agrees to receive a non-physical survey based written e-mail generated Binding Estimate based upon the customer provided item list of property to be transported and services ordered. Customer has agreed to receive and subsequently received the FMCSA publications "Ready to Move? – Tips for a Successful Interstate Move" and "Your Rights and Responsibilities When you Move" via e-mail hyperlink and accessed the Federal consumer protection information in the Internet. Additionally, In accordance with 49 CFR §371.113(c)(1), customer agrees to waive a physical survey of the household goods and alternatively agrees to receive a Binding Estimate based upon the customer provided item list of property to be transported and services ordered. The terms of this estimate and all services to be provided are subject to the carrier's tariffs, incorporated by reference and available for inspection upon reasonable request at the carrier's offices.

ABBREVIATIONS and DEFINITIONS

"Motor Carrier" or "Mover" or "Carrier" is the actual moving company performing packing, loading, storage, transportation, and offloading services. "Customer" or "Shipper" is the customer who contracted with the mover to perform interstate domestic moving services. "Broker" or "shipper's agent" is the customer's coordinator for the move who issues the estimate and brings the customer and the mover together. The broker is not a party to the contract for moving services ("bill of lading") between the mover and the customer. Articles listed as follows: Articles listed as CP = Carrier Packed; PBO = Packed By Owner; PO = fragile item to be wrapped with Pads Only per customer.

VERY IMPORTANT - IF YOU ADD ITEMS AT PICK-UP OR IF THE ITEMS ARE A DIFFERENT VOLUME AND/OR WEIGHT FROM WHAT IS ITEMIZED ON THIS ESTIMATE:

1. The mover may provide you with a new binding estimate at a higher rate.
2. DO NOT allow the mover to load the truck or perform any services before you CALL US. You must agree in writing to the new estimate. We will assist you with this.
3. Contact our office at (888) 798-2852 and select option #0 so that we may assist you with any revisions.
4. If you have not signed the mover's new binding estimate, and the mover loads the truck, then Federal regulation requires that the mover has reaffirmed the original estimate and cannot demand additional payment at delivery for the additional items. Any balance due above the binding estimate would need to be billed by the mover thirty days after delivery.

This is why we ask you to notify us of modifications at least 3 business days before the scheduled pick-up date, to avoid surprises at pick-up! On the day of pick-up, your foreman may offer you a new revised estimate listing all costs for the entire move including the additional services ordered or additional items to be moved, if any. The total price will be the same as the price listed on this estimate if your inventory's estimated weight/volume has not changed and if you do not require additional services. If your inventory's estimated weight/volume increases or if you require additional services, however, then your price may change based on the rate per pound and/or cubic feet stated in this estimate.
