Reminder & Information, Terms & Conditions

Dear Potential Valued Customer:

It will be a pleasure to include you as our customer, and we thank you for giving us this opportunity to help make your move a success.

General: The following are reminders & information, terms & conditions regarding your future move. Please update your Moving Advisor about any changes to your MoveView™ package such as your list of items, optional services, multiple stops, elevator or stair usage, excessive walking or long carry. Undisclosed information or changes to the information of your MoveView™ package may incur additional charges.

MoveView™ Packages: Some MoveView™ packages may not be available at various locations. Some restrictions may apply. Please ask your Moving Advisor for more information.

Labor & Travel Time: The labor time starts when we arrive at your pickup location and ends at your destination. Travel time (the time it takes to "travel" to and from the move sites) is already included in your quote! We will disassemble your furniture as needed, wrap and load them into our truck/s together with your boxes, drive to your destination and off-load, re-assemble and travel back to our terminal. The labor time is prorated by half (1/2) hour increments. **Every move carry a minimum of 5 hours of labor, unless quoted differently.** The final cost may vary between the quote on this estimate. Per diesel rate TFSC may apply.

COI & Building Requirements: Please notify your Moving Advisor if your management building requires a Certificate of Insurance (COI). All certificates issued by us prior to your move date are free. Please note that if a COI is required to be issued or to be modified on your move date, it will result in an administrative fee. Furthermore, remember to secure your move date and elevator time, and ask your building management about any restrictions or special requirements they may have.

Securing Parking & Street Access: Please arrange a parking space or parking permit for 28 feet size box truck, and access to truck over 4 Ton, at both your pickup and delivery locations. Please contact your Moving Advisor regarding any parking or access restrictions to avoid violations.

Packing Services & Packing Materials: Unless otherwise specified, you are responsible to obtain the packing materials, pack, and unpack your clothes, linens, books, china, dishes and content of drawers and shelves. Do not pack any item in plastic bags. Glass or marble tops & shelves, mirrors, lamps, electrical & electronic items & TV's, must be packed in boxes, cardboard crates or containers. Please pack liquids inside plastic bins not in carton boxes to avoid breakage or leakage. Protect mattresses and box springs using a plastic mattress bag or box for hygienic purposes. Professional packing materials are available on the day of the move and will be at an additional cost.

Reservation & Forms of Payment: This quote is valid for 48 hours and subject to availability of your requested move date. To secure your reservation time, date & truck, a prepayment of \$98.00 is required at time of reservation and can be paid by Visa, MasterCard, AMEX, Personal Check, Cash, Money Order or Certified Check, and is deducted from the cost of your move. The remaining balance is due upon delivery prior to unloading via Postal Money Order or Cash only. If you would like to pay by credit or debit card, please notify your Moving Advisor to receive an approval prior to your move date from our Accounting Department. This may carry a 4.85% convenience fee. If you wish to avoid this fee, you may choose to pay with any of the other acceptable forms of payments. If paid by credit or debit card, the cardholder photo ID and the card must be present for proof of verification.

Rescheduling or Cancellation: You can alter your move date as many times as needed and select any new move date, subject to availability. Your pre-payment will be used for your new scheduled move date. If you wish to cancel your move, as a company policy, to protect you from any unauthorized changes, please send your cancellation notice in writing. You will receive an email from us confirming your cancellation. Cancellations made up to five (5) business days PRIOR to your original scheduled move date are qualified for refund subject to \$48.00 administrative fee. Your prepayment will become non-refundable and will turn into a cancellation fee if we receive your cancellation notice WITHIN four (4) business days of your original scheduled move date. If you chose to cancel your move one (1) day prior to your move date or on your move day, your MoveView™ Estimate will become your cancellation fee. Please note that at time of reservation, truck/s and mover/s are scheduled, and routes are assigned for your move.

Confirmation: You are responsible to confirm verbally the details surrounding your move with our Preparation Department and E-sign your MoveView™ 48 hours prior to your move day.

Availability: Until finalizing your reservation, this quote is valid for 48 hours, subject to availability of your requested move date.

Physical Survey Waiver: Unless provided, in accordance with 49 CFR §375.401(2) you agree to waive a physical survey of the household goods and alternatively agree to receive an estimate which is based upon the information of items to be transported and services to be provided.
