Or (2) Carrier and shipper may execute a Revised/Rescission document, PRIOR TO LOADING OR OTHERWISE BEGINNING THE JOB, this revised written estimate given prior to loading will serve as the only active estimate for which charges will be calculated.

As a condition precedent, all outstanding monies due for services must be paid in full before any claim can be made. Claims must be filed within 9 months of delivery or demand thereof is refused and must be limited to the destination descriptions of damages for each item on the inventory logs. All damages and missing items must be noted on the inventory logs. Damage indicators must specify each item damaged at the time of delivery.

SUMMARY OF DISPUTE SETTLEMENT PROGRAM: Summary of dispute settlement program: The neutral arbitration program has been designed to give neither party any special advantage. If a dispute arises between Carrier and the shipper arbitration may be a mutually beneficial alternative to help resolve the dispute. Section 49 CFR Section 375.211 provides that a mover must have a program in place to provide shippers with an Arbitration alternative. Arbitration is optional and not required under Federal law. A. Summary of the arbitration process: Arbitration is an

alternative to courtroom litigation. It provides each party to the dispute to present their cases and allows a neutral third party arbitrator to make decisions as to the merits of each side's case. Arbitration subject to this agreement shall be conducted via written submission and, subject to the arbitrator's discretion, through telephonic appearance. After the initial filing fees have been paid and the arbitrator selected, the initiating party or "Claimant" must submit a written brief summarizing their legal position and factual claims. All supporting documentation must be included with the initial arbitration brief. Copies of all documents must be submitted to all parties involved in the arbitration. Upon receipt of the Claimant's arbitration brief and supporting documents, the responding party or "Respondent" will have 30 days to file their responsive arbitration brief and supporting documentation. Further deadlines and timetables are subject to the arbitrator's discretion. B. Legal effects: If the arbitration alternative is chosen, then any decision made by the arbitrator may be binding. Additionally, an arbitration decision may not be appealed in a court of law. All parties agree that the Arbitrator's decision will be based exclusively on the governing United States Federal Law without regard to conflicting State laws or regulations. C. Applicable costs: Each party is responsible for their own costs associated with arbitration. A benefit to the arbitration alternative may be that it is less expensive than traditional litigation. Each party is responsible for 50% of the costs associated with securing the arbitrator and 100% of their own expenses, including but not limited to attorney fees. There is a \$250 filing fee FOR EACH PARTY and a supplemental charge of \$50 administration fee. Call the carrier at phone number on the front of this form for ADR processing forms.
