Understanding Your Estimate

This is an agreement between the customer listed above and Allied Transportation Group, LLC. based on the information provided by the customer. Allied Transportation Group, LLC prepared this agreement based on the list of items and services requested at the time this estimate was prepared. Should your inventory's estimated weight/volume increase at the time of pick-up or should you require additional services, your price may change based on the agreed-upon rate per pound and/or cubic feet. Please note that Allied Transportation Group is a properly licensed interstate broker, and is not a carrier and will not transport an individual shipper's household goods, but will coordinate and arrange for the transport of household goods by another FMCSA authorized motor carrier, whose charges will be determined by its published tariff.

This estimate includes the following:

- Disassembly of all standard furniture required for safe movement.
- Reassembly for all items disassembled by the movers on the day of pick-up.
- Wrapping of all furniture with quilted moving blankets.
- Itemized inventory indicating condition at origin of all items.
- Loading and unloading of all goods.
- All transportation, taxes, tolls, mileage and fuel surcharges.
- Standard cargo protection up to \$10,000 based on 0.60 cents per lb per article; if selected at the time the estimate is prepared, estimated cost of the full value protection option at varying deductible levels (these are only estimates and the actual cost is determined by your selection on the carriers bill of lading according to carriers tariff).
- No charge for packing tape and moving pads.
- No date change penalties if your request is made more than 7 business days before your originally scheduled pick-up date. (Summer rates are subject to change)

Additional fees and Accessorial Services (if applicable to the move):

- Packing of fragile/delicate items (such as TV's, glass, etc.); packing and crating services not already listed within proposal; loading of bulky items (such as a motorcycle).
- Packing supplies such as boxes, bubble wrap, etc.
- For full packing service: Allied Transportation Group will arrange to provide all labor and materials to professionally pack all boxes, fragile items, and furniture listed. If additional items are added at time of pick-up, then the total price for full service packing will be increased and adjusted by the guaranteed rate provided. A new agreement will be presented at time of pick-up.
- Shuttle service: If semi-trailer cannot get reasonably close to building or house for loading/unloading, a shuttle truck may be required to perform relocation at a minimum charge of \$300.
- First flight of stairs is included. Additional fee if more than 1 flight of stairs.
- Long carry: First 75 feet are included.
- Elevator Fee: Minimum \$75 (rate is determined by actual cubic footage)

VERY IMPORTANT - IF YOU ADD ITEMS AT PICK-UP OR IF THE ITEMS ARE A DIFFERENT VOLUME AND/OR WEIGHT FROM WHAT IS ESTIMATED ON THIS AGREEMENT: < /p>

1. The mover has to provide you with a revised estimate.
2. Contact our office at 1-866-688-8521 EXT 2 so that we may assist you with any revisions.
3. DO NOT allow the mover to load the truck or perform any services before you CALL US. You must agree in writing to the new estimate. We will assist you with this.
4. If you have not signed the mover's revised estimate and the mover loads the truck, then Federal Regulation requires that the mover has reaffirmed the original estimate and cannot demand additional payment at the delivery for the additional items.

WARNING: If a moving company loses or damages your goods, there are 2 different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. This form may also contain an estimate of the cost of a move in which the moving company is liable for **FAR LESS** than the replacement value of your goods, typically at a lower cost to you. You will select the liability level later, on the bill of lading (contract) for your move.
