WARNING: If a moving company loses or damages your goods, there are 2 different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. This form may also contain an estimate of the cost of a move in which the moving company is liable for **FAR LESS** than the replacement value of your goods, typically at a lower cost to you. You will select the liability level later, on the bill of lading (contract) for your move. Before selecting a liability level, please read [Your Rights and Responsibilities When You Move](#), and [Ready to Move Brochure](#) provided by the moving company, and seek further information at the government website www.protectyourmove.gov

Understanding Your Estimate

SECTION I: UNDERSTANDING YOUR ESTIMATE

This is an agreement between the shipper listed above and Top Notch Moving. This estimate is based on the list of items provided by the shipper and services requested at the time this estimate was prepared. Should your inventory's estimated volume increase at the time of pick-up or should you require additional services, your price may change based on the locked-in rate per cubic foot. A quality assurance call can be made to update your inventory, 4-5 days before your first available pick-up date.

- Expert moving advice throughout the course of your move
- Disassembly of all standard furniture required for safe movement
- Reassembly for all items disassembled by the carriers on the day of pick-up
- Wrapping of all furniture with quilted moving blankets

VERY IMPORTANT - IF YOU ADD ITEMS AT PICK-UP OR IF THE ITEMS ARE A DIFFERENT VOLUME FROM WHAT IS ESTIMATED ON THIS AGREEMENT:

1. The carrier must provide you with a new onsite estimate.
2. Contact our office at (888) 763-1763 and select option #2
3. DO NOT allow the carrier to load the truck or perform any services before you CALL US. You must agree in writing to the new estimate. We will assist you with this.
4. If you have not signed the carrier's onsite estimate, and the carrier loads the truck, then federal regulation requires that the carrier has reaffirmed the original estimate and cannot demand additional payment at delivery for the additional items.

SECTION II: TERMS AND CONDITIONS OF THIS SIGNED ESTIMATE

1. The provisions of this agreement, including the terms and conditions contained herein, represents the entire understanding and agreement between Top Notch Moving and shipper with respect to the subject matter hereof and supersedes all other negotiations, understandings, and representations (if any) made by and between such parties, including any representations made by any estimator. In the event of any conflict between the terms of any estimate and the bill of lading, the terms of the Bill of Lading shall control. This agreement may not be amended, supplemented or waived orally, but only in writing, signed by both Top Notch Moving and shipper and making specific reference to this agreement.
2. The shipper may not assign their rights or obligations under this agreement without the prior written consent of Top Notch Moving.
3. Nothing in this agreement, whether expressed or implied, is intended to confer any rights or remedies on any person other than the parties hereto and their respective legal representatives, heirs, and permitted assigns, nor is anything in this agreement intended to relieve or discharge the obligation or liability of any third person to any party to this agreement, nor shall any provision give any third person any right of subrogation or action over or against any party to this agreement.
4. The shipper has hired Top Notch Moving as a moving coordinator/shipper agent/broker and not to handle or otherwise participate in a move as a carrier in acting as a shipper agent only, Top Notch Moving is not responsible for any acts or omissions of the carrier or its employees or agents. Shippers must pursue the motor carrier for all claims for property damage and personal injury or death, including without limitation, any claims for damage to property, lost or stolen goods, delayed pick-up or delivery, actions of estimators, drivers, packers or carriers, or other types of claims. Top Notch Moving will act on behalf of the shipper in resolving any claims or delay issues with the carrier. The carrier's maximum liability is limited to the lesser of the following: (a) the amount of the actual loss or damage, (b) an amount equal to sixty cents (60¢) per pound multiplied by the actual weight (in pounds) of the lost or damaged article; or (c) the lump sum declared value.
5. As a properly licensed interstate moving coordinator/shipper agent/broker, Top Notch Moving is not a motor carrier and will not transport an individual shipper's household goods but will organize and arrange for the transportation of household goods by any FMCSA authorized motor carrier, whose charges will be determined by its published tariff. All estimated charges and final actual charges will be based upon the carrier's tariff which is available for inspection from the carrier upon reasonable request.

6. Full replacement insurance is available upon request from Top Notch Moving via an insurance provider of its choice. The insurance will be billed separately, and it is not part of the original deposit. A policy number must be issued, and insurance paperwork must be signed by the shipper and returned to Top Notch Moving prior to pick up and/or pack dates in order to process a claim.
7. Any and all lawsuits against Top Notch Moving must be filed in Palm Beach County Florida.
8. The shipper will be subject to all applicable laws and the general terms and conditions of the carrier's contract, which shall include without limitation, a requirement that payment in full of all charges is due before unloading of the goods in accordance with the carrier's lawful lien on the property.
9. As the shipper, I agree to pay the total charges for moving coordinator services to be provided by Top Notch Moving. I understand that my deposit represents only a portion of my total estimated service charges. Due to scheduling and routing reasons, my deposit is not refundable, unless I notify Top Notch Moving in writing at info@topnotchmovingllc.net at **least 14 calendar days prior to my original pick-up window**. I understand there will be a 5% cancellation fee that will be deducted from my refund. The 5% cancellation fee only applies to the deposit amount, not the entire move cost. I understand that if I cancel my move within 14 calendar days of my first available pick-up date I am only entitled to receive a credit of my deposit. This credit will be for future interstate moving services to be used by the original intended shipper within a 12-month period from the date of cancellation. I understand I may change my pick-up date or place the move on hold at least 7 business days (Saturdays, Sundays and holidays not included) prior to the pack or load date listed above. This cancellation only pertains to the original pick-up dates of the first signed contract. I understand that if I do change my dates, or put my move on hold, my deposit is no longer refundable. If pick-up is refused by a shipper FOR ANY REASON, the deposit is forfeited. All transactions will show on your billing cycle as Top Notch Moving.
10. The shipper has elected a "not to exceed cost" price, wherein the total cost of the move will not exceed the estimated amount; provided, that the shipper provides Top Notch Moving with an accurate description of the items to be moved and the services to be performed. The shipper has requested to have an estimate provided for his/her household goods relocation, in accordance with 49 CFR 371.113(c)(1), the shipper agrees to waive a physical survey of the household goods, and alternatively agrees to receive a binding estimate based upon the shipper provided item list of property to be transported. If any additional pieces, packing services, cubic feet, or labor services are added at the origin and/or destination than those quoted, the shipper shall be charged for these services at the carrier's governing tariff rates.
11. The shipper understands that Top Notch Moving has a 300 cubic foot minimum on all shipments unless the signed contract states otherwise. Any shipment below 300 cubic feet, will be charged at 300 cubic feet unless your signed contract states otherwise.
12. The price includes all fuel surcharges (based on the estimated cubic feet), tolls, loading and unloading, basic disassembly and reassembly of standard furniture items, up to 50 feet of long carry at origin and destination and 1 flight of stairs up to 10 steps at origin and destination. Elaborate furniture items that need to be disassembled and/or reassembled may require third-party servicing or additional labor and should be disclosed to your moving coordinator and included in your estimate. Disconnecting and/or reconnecting of appliances is not included in the price. Reassembly is subject to the availability of tools and/or all parties being available. Carriers are not liable to reassemble anything that was not disassembled by them. The packing and unpacking of boxes are only included in the price if it is itemized in the "packing and unpacking" section of your estimate; all materials/labor for undisclosed items will be extra.
13. If the shipper's items, space reservation, or services are less than the estimated amount, the shipper remains responsible for the entire estimate. Should the shipper's estimate come in under the predicted cubic feet, Top Notch Moving will refund 50% of the shipper's price per cubic foot up to 500 cubic feet. It is of the shipper's responsibility to pursue the carrier if they are looking for additional reimbursement beyond the 50% of the price per cubic foot.

14. All the terms and provisions of this agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective administrators, executors, legal representatives, heirs, successors and permitted assigns.
15. The shipper understands and agrees that if the shipper fails to execute or return this agreement, by allowing a carrier designated by Top Notch Moving to pick-up the shipper's belongings, the shipper expressly agrees and consents to the terms contained in this agreement and will forfeit their deposit.
16. The shipper shall indemnify and hold harmless Top Notch Moving and its shareholders, directors, officers, employees, agents and affiliates from and against all actions, claims, suits, liabilities, proceedings, penalties, fines, costs, and expenses (including all reasonable attorney's fees) relating directly or indirectly from any breach of this agreement by shipper.
17. It is agreed by the parties as mandatory that this agreement shall be governed by the internal laws of the State of Florida without regard to the principles of conflicts of law. Any dispute arising out of or relating to this agreement shall be brought in the courts or record of the State of Florida in Palm Beach County. If any party does not have a registered agent to accept service of process in Florida or is not otherwise subject to service after reasonable attempts, then such party agrees to accept service of process by US mail.
18. In the event of any controversy arising under or relating to the interpretation or implementation of this agreement or any breach thereof, Top Notch Moving shall be entitled to recover all its court costs, collection fees, expenses and reasonable attorney's fees (including, without limitation, all pretrial, trial and appellate proceedings), in addition to any other relief to which it may be entitled. If Top Notch Moving pursues the collection of any amounts due to it under this agreement, Top Notch Moving may recover the full tariff rate on all goods and services provided, in addition to all other remedies available to it at law and in equity.
19. Motor carrier neutral arbitration program: the motor carrier's neutral arbitration program has been designed to give neither party any special advantage. If a dispute arises between the carrier and the shipper arbitration may be a mutually beneficial alternative to help resolve the dispute. Section 49 U.S.C sections 375.211 provides that a carrier must have a program in place to provide shippers with an arbitration alternative. Arbitration is optional and not required under federal law. Summary of the arbitration process: arbitration is an alternative to courtroom litigation. It provides each party to the dispute to present their cases and allows a neutral third-party arbitrator to make decisions as to the merit of each side's case. Arbitration subject to this agreement shall be conducted via written submission and, subject to the arbitrator's discretion, through telephonic appearance. After the initial filing fees have been paid and the arbitrator selected, the initiating party or (claimant) must submit a written brief summarizing their legal position and factual claims. All supporting documentation must be included with the initial arbitration brief. Copies of all documents must be submitted to all parties involved in the arbitration. Upon receipt of the claimant's arbitration brief and supporting documents, the responding party or (respondent) will have 30 days to file their responsive arbitration brief and supporting documentation. Further deadlines and timetables are subject to the arbitrator's discretion. Legal effects: if the arbitration alternative is chosen, then any decision made by the arbitrator may be binding. Additionally, an arbitration decision may not be appealed in a court of law. All parties agree that the arbitrator's decision will be based exclusively on the governing United States federal law without regard to conflicting state laws or regulations. Applicable costs each party is responsible for their own cost associated with arbitration. A benefit to the arbitration alternative may be that it is less expensive than traditional litigation. Each party is responsible for 50% of the cost associated with securing the arbitrator and 100% of their own expenses, including but not limited to attorney fees.
20. The shipper hereby knowingly, voluntarily and intentionally waives the right to a trial by jury in respect of any litigation based hereon, or arising out of, under or in connection with the goods and services obtained here under, the move, or any course of conduct, course of dealing, statements (verbal or written) or actions of Top Notch Moving or the carrier. the shipper acknowledges that this waiver constitutes a material inducement to Top Notch Moving to enter into this agreement.

SECTION III: BOOKING, PICK-UP AND DELIVERY TERMS AND EXPECTATIONS

1. Upon booking, up to 40% of the total moving estimate is required to be paid. This deposit (shipper payment) may only be paid via check by phone, ACH, wire transfer, Zelle or Cash App.
2. Shipper has agreed to receive and subsequently received the FMCSA publications [Ready to Move? Tips for a Successful Interstate Move](#) and [Your Rights and Responsibilities When you Move](#) via a hyperlink and access the Federal consumer protection information on the Internet.
3. Some buildings require a Certificate of Insurance (COI) from the moving company. It is the responsibility of the shipper to check with building management at both the pick-up and delivery locations regarding potential COI requirements. Please notify your Moving Coordinator, Top Notch Moving will be glad to assist you. The COI requirements or a sample COI must be provided to Top Notch Moving at least 7 business days prior to the estimated move dates.
4. During booking, the shipper will request an estimated two day pick-up window. Specific dates can not be guaranteed at any time. Pick-up windows are based on scheduling and routing. Should you need specific accommodations or should your pick-up location have specific requirements, immediately notify your moving coordinator or customer service representative.
5. All pick-up, load and/or delivery dates are only estimated. There are absolutely no guarantees made regarding pack, load, and/or delivery dates. Transporting entire households long distances is a complex logistical process. All estimated pick-up windows and deliveries are made on a flexible schedule basis. Many factors play a role in the time needed to perform your relocation:

- Time of Year
- Road Conditions
- Inclement weather
- Time required to load/unload
- Driver availability
- Unforeseen mechanical issues
- Mandatory DOT restrictions
- Size and distance of your shipment
- Your first available date of delivery

Top Notch Moving will not be responsible for loss or damages incurred by unavoidable such delays. Top Notch Moving will act on the behalf of the shipper in resolving any claims or delay issues with the carrier. If pick-up is refused by the shipper for any reason, deposit is forfeited.

6. On the day of pick-up, your foreman may offer you a new on-site estimate listing all costs for the entire move, including any additional services ordered or additional items to be moved. The total price will be the same as the price listed on this estimate if your inventory's estimated volume has not changed and if you do not require additional services. If your inventory's estimated volume increases or if you require additional services, your price may change based on the rate per cubic feet as stated in this estimate.
7. A move may not be canceled once loading has begun. Should a shipper choose to rescind their signature on the Bill of Lading and/or On-Site Estimate, the motor carrier has the right to charge the shipper travel-related charges and labor cost associated with the wrapping, packing, loading and unloading of the household goods.

8. Upon pick-up, the carrier will collect up to 75% of the remaining balance. Payment will be due in the form of cash, certified check, or postal money order. The remaining balance must be paid in full upon delivery by cash or post office money order. If at any time a credit card is authorized for pick-up, please be aware a 1%-6% charge may occur for processing. The carrier reserves the right to collect up to 75% of balance due prior to the goods leaving the origin state. Subject to federal law, payment in full of all charges is required prior to unloading.
9. If a shipper's origin location is at a warehouse or storage unit, the balance to the storage facility must be paid by the shipper prior to the carrier's arrival.
10. There is no guarantee your items will not be temporarily stored or offloaded and reloaded onto a different vehicle then used at pick-up and consolidated with other shipments.
11. If at any time Top Notch Moving gives a guaranteed delivery date and the company is unable to deliver to date for unforeseen reasons, the shipper will be reimbursed \$30 per day until items are delivered. The shipper agrees and understands that we are not a carrier and are not liable for items in transit. Once the contract is signed by the assigned carrier, all reimbursements further than the daily allowance of \$30 from Top Notch Moving will be pursued by the shipper to the carrier. All lawsuits, reviews, and DOT complaints must be filed against the carrier as Top Notch Moving is not held responsible from the time of pick-up. By signing this contract, the shipper understands that Top Notch Moving is a mediator, and adviser in the process and will not be held liable by any misdoings of the carrier.
12. The carrier who is responsible for picking up and delivering the household goods of the shipper has up to 30 business days to deliver the household goods of the shipper. If goods are not delivered within 30 business days then the carrier is responsible for all late fees due to the shipper, regulated by the Department of Transportation and Top Notch Moving will not be held accountable by the shipper in any legal or civil action for late fees or inconveniences to the shipper.
13. First available date of delivery (FADD) is not a guaranteed delivery date. The first available date is the first date you are ready and willing to accept your delivery. This time frame does not include the requested storage period. The carrier has 30 business days from the FADD you choose to deliver the household goods. If no FADD is provided, the carrier has 30 business days from the day of pick-up to deliver the goods. Any requests made at pick-up or directly to the carrier will void all previous requests made to Top Notch Moving prior to the pick-up.
14. If your shipment has been placed on a delivery trailer and you are not able to be available to accept the items then you have the option of obtaining a third-party representative to receive the items on your behalf or storage and re delivery fees will apply. If you did not specify a first available date for delivery on your pick-up paperwork it is assumed that you are ready for delivery as soon as possible.
15. It is the responsibility of the shipper to check for tractor trailer accessibility and maneuverability at the delivery location. It is required the truck can park within at least 75 feet of the entrance to avoid long carry and/or shuttle service cost. The shuttle service is ultimately at the discretion of the delivery driver.

SECTION IV: TRANSPORTATION OF YOUR HOUSEHOLD GOODS

Packing services, material and unpacking services, are available at an additional charge and are only included in this estimate if the services are specifically listed on the Relocation Estimate section of this estimate.

Prohibited Items:

If you decide to include these items in your shipment you will be doing so at your own discretion. Top Notch Moving and the carrier will not have any liability whatsoever.

- personal documents
- jewelry
- medicines
- alcohol
- personal remains
- firearms
- cash/bank notes
- liquids
- live plants
- pets
- hazardous material
- perishable items

Appliances:

All appliances must be turned off and disconnected from the electric, gas and water connections prior to the day of your move. We do not disassemble or reassemble any utilities or appliances at either origin or destination. If certain appliances are digital, glass front/top, crating may be necessary. All refrigerators and freezers must be defrosted prior to being loaded.

Furniture:

The motor carrier requires that all drawers must be emptied prior to the day of move. Furniture with full drawers will not be transported due to high risk of damage to the actual furniture, premises walls and floors. Items constructed from pressed wood or particle board are more likely to sustain damages during transit. They are designed to be shipped unassembled and not built to withstand the normal stresses of moving an assembled unit. However, once disassembled they may not be of the same quality when reassembled. Top Notch Moving will accept shipment of pressed wood and particle board items at the risk of the shipper only.

Please see a supplemental email from Top Notch Moving with a comprehensive to do list prior to the day of pick-up.
