This rescission of the original estimate and new visual estimate supersedes all other estimates and controls as the current estimate. I hereby request that any and all previous estimates be rescinded because I have significantly altered the circumstances surrounding my move from which I first requested an estimate. An estimate (binding or non-binding) is not a contract. The actual charges will increase if additional services are ordered or additional items, cubic feet, or weight are transported, or if packing materials are ordered. This revised written estimate, in accordance with 49 CFR 375.403(a)(5)(ii) and 375.405(b)(7)(ii), is only valid if fully executed before any work begins. Packing material and labor are not included and will be charged per items ordered and listed on the packing materials price list. On interstate moves an 18 wheeler may be used to deliver the property. If the destination address does not have access for an 18 wheeler the shipper will be required to pay for shuttle service. For all estimates there may be additional charges for flights of stairs, elevators, extra drop-offs or pick-ups, re-delivery, long carriers, and shuttles for residences in restrictive complexes. This new estimate is rate based on the weight or cubic feet that were estimated. If non-binding, the total charges are based on the actual weight of the property and may exceed the estimate subject to the 110% rule; maximum amount demanded at time of delivery is the amount of the non-binding estimate plus 10%. If binding, then total amount of the binding estimate (100%) must be paid in full prior to unloading. Additional charges will incur for services performed after the estimate is given and billed after 30 days. I understand that I will be notified of final charges prior to delivery and while in transit. Upon booking a 10% deposit is required to be paid in the form of credit card (Visa, Mastercard, Amex or Discover). Prior to pickup 60% of the balance is due in the form of credit card, cash, money order or certified check. **At delivery the balance is due prior to unloading in the form of CASH ONLY.** Administration fee of 6% will be added to all credit card payments made after booking. Personal or business checks are not accepted. The Carrier reserves the right to collect up to 70% of balance due prior to the goods leaving the origin state. Subject to federal law, **payment in FULL of all charges is required before delivery and prior to unloading** - Subject to the 110% law, if applicable. All charges are based on full tariff rates. The first date indicated as available for delivery is first date of the delivery window and not the promised delivery date. Pick up and delivery dates are estimates and not guaranteed. Tariff is available for viewing upon reasonable request. Shipper and/or agent has full authority to order services and enter into this agreement.

**NOTICE: Sign this document only if you agree to the new total estimated price. Do not sign this document if blank.**
