## Company Terms &amp; Conditions:

Thank you for giving United Transportation Moving and Storage the opportunity to estimate your upcoming relocation. The company is licensed and insured with accordance to the Department of Transportation requirements.

The estimate is based on the information you have provided to your relocation specialist (origin and destination zip codes and inventory list of the items to be transported).

This estimate represents a full service move, including the following only:

- Pickup and delivery
- Loading & Unloading
- Disassembly & Reassembly of large furniture
- Wrapping your bigger items with extra quilted padding
- Limited liability protection at the amount of \$0.60 per pound per article (regardless to the actual worth of your items)
- One month FREE storage in a secured, climate- controlled facility (upon request only!)
