

Table extension leaf

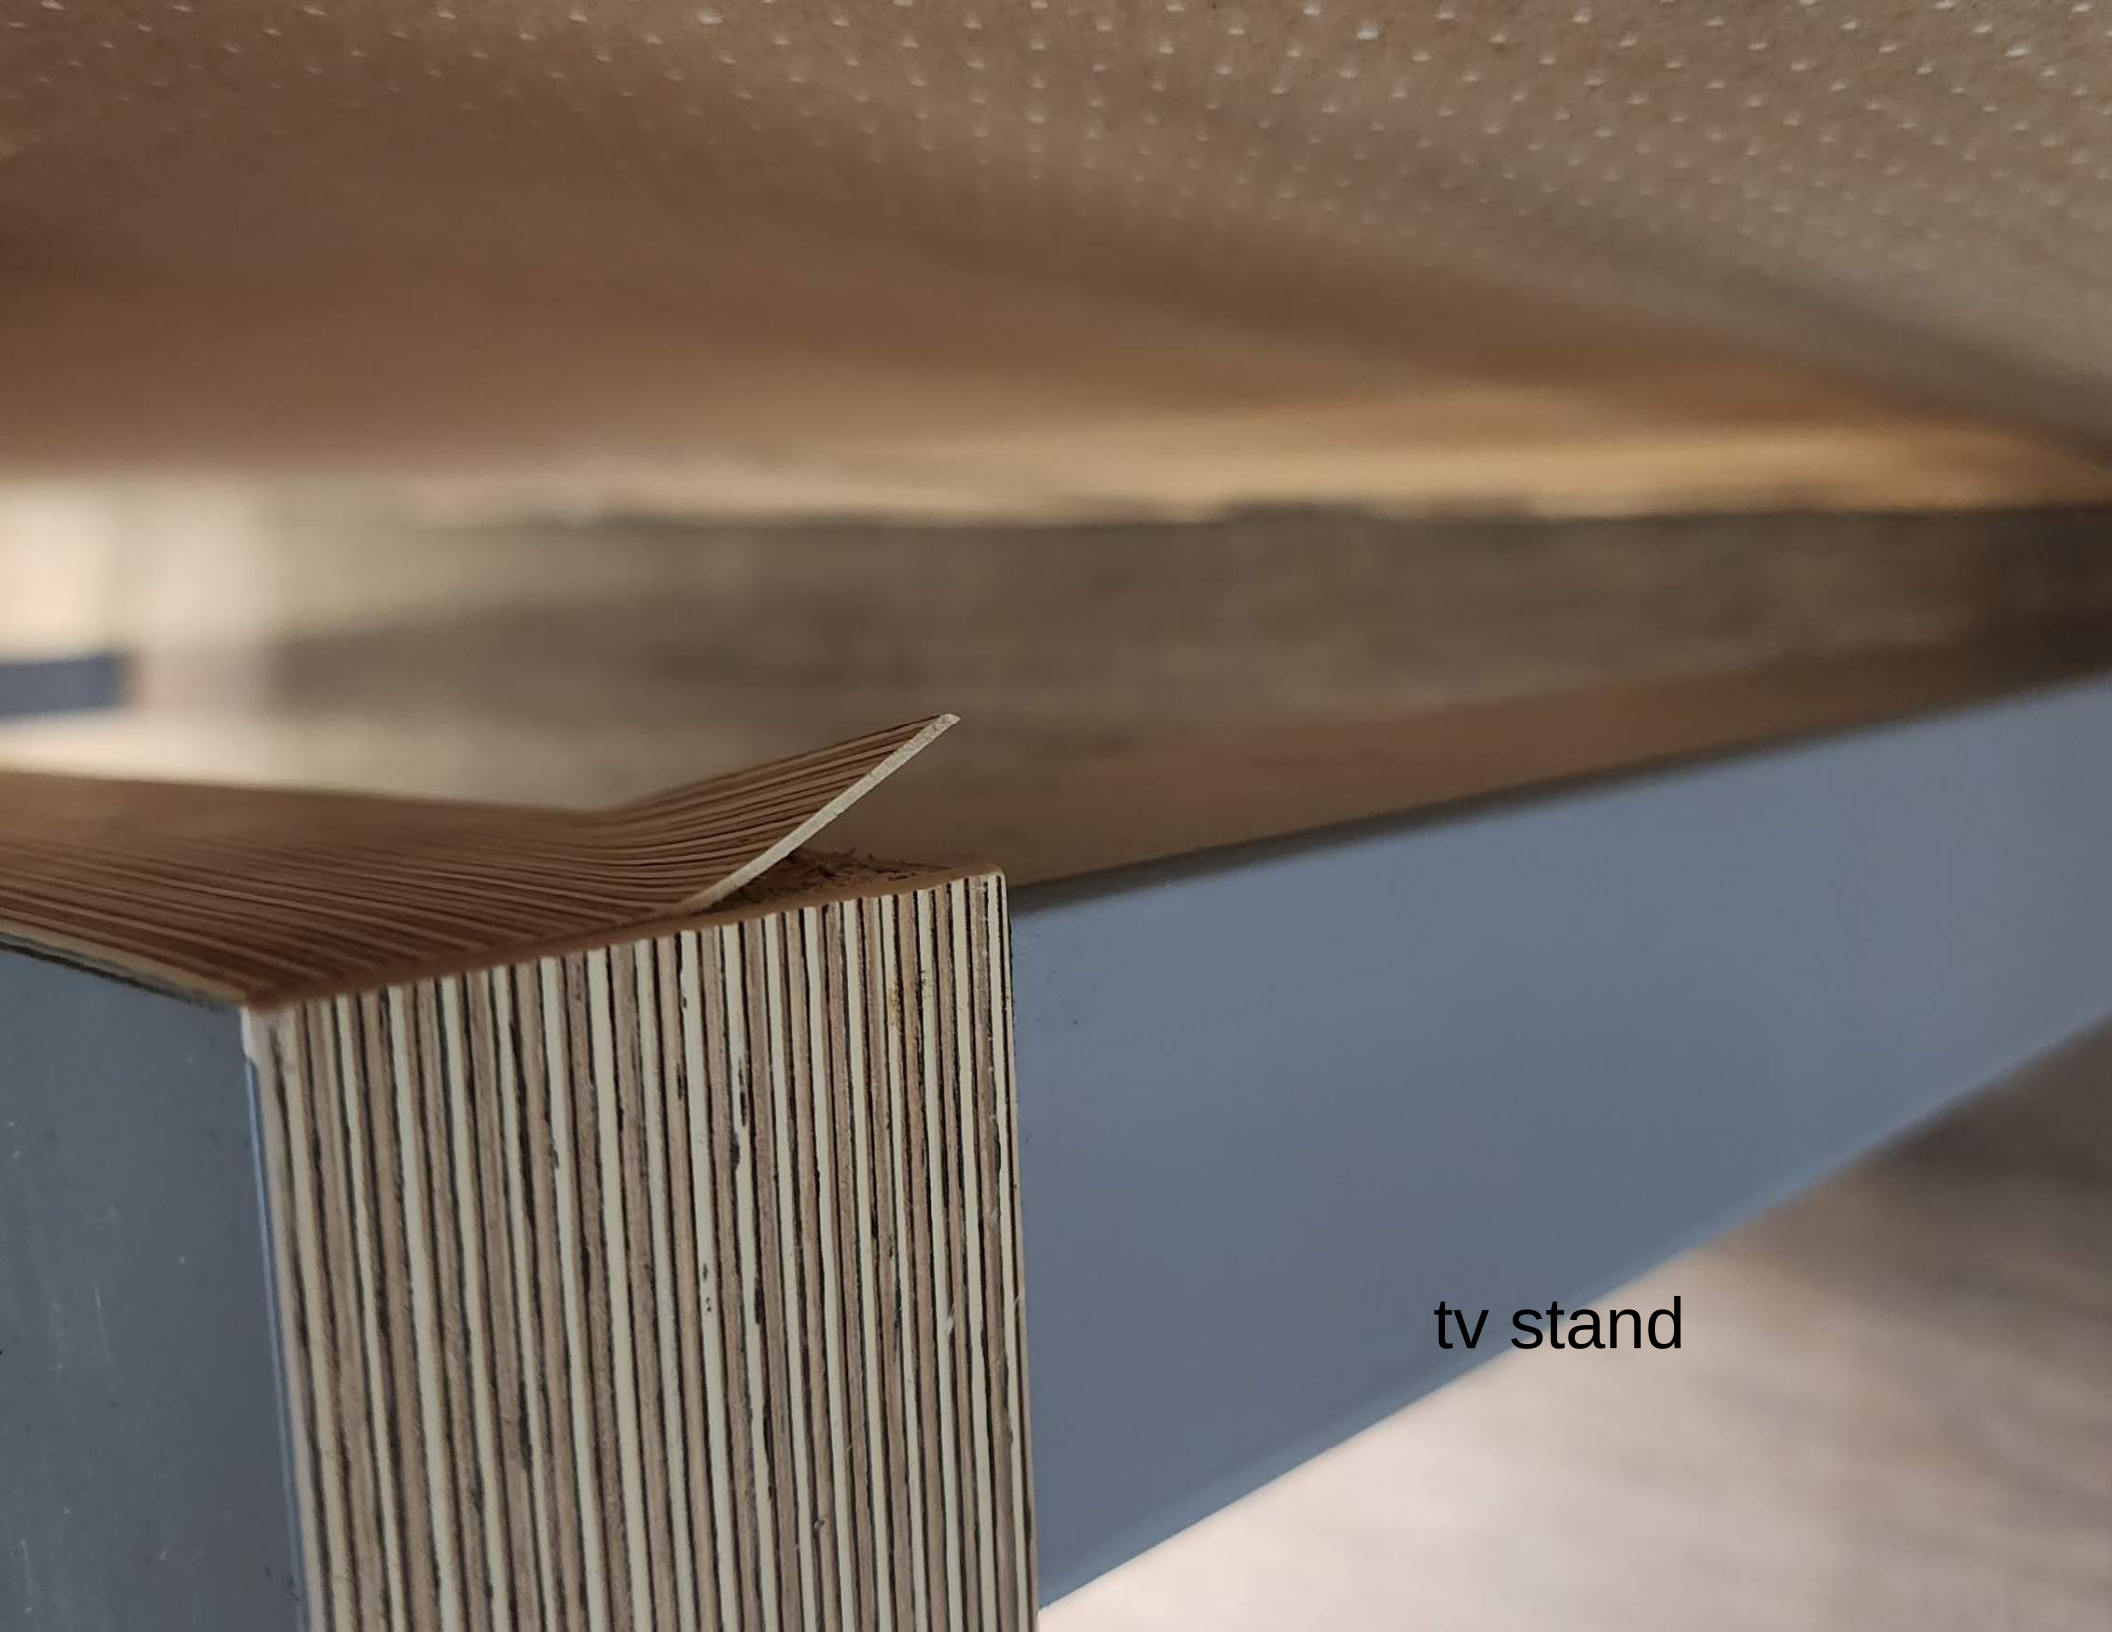

A large, rectangular wooden table extension leaf is leaning vertically against a white-painted wooden staircase railing. The leaf is made of light-colored wood with a visible grain and shows some signs of wear and tear along its edges. It is held in place by several metal brackets and screws. The railing has a decorative, turned top rail. In the background, a staircase with dark wood treads and white risers is visible. On the floor next to the leaf, there is a blue and green bag with the words "Most Toast" on it and a pink cloth.
