WARNING: If a moving company loses or damages your goods, there are 2 different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. This form may also contain an estimate of the cost of a move in which the moving company is liable for **FAR LESS** than the replacement value of your goods, typically at a lower cost to you. You will select the liability level later, on the bill of lading (contract) for your move. Before selecting a liability level, please read ["Your Rights and Responsibilities When You Move"](#), and [Ready to Move Brochure](#) provided by the moving company, and seek further information at the government website www.protectyourmove.gov

Understanding Your Estimate

THIS IS A BINDING-NOT-TO-EXCEED ESTIMATE BASED ON WEIGHT OR CUBIC FT. Delivery Schedule:

The delivery process will begin from your first available date to accept the goods and NOT from the pickup date. Because nationwide moving companies consolidate their moving shipments, delivery general time frame by law is up to 21 business days from your first available date to accept your goods. Kings Moving services strives to deliver in a time frame of 1-14 business days from your first available date to accept your goods. Please be advised that unforeseen errors might occur such as bad weather, traffic, road conditions, mechanical breakdowns and issues with earlier drop-offs which may delay subsequent deliveries.

There are NO guaranteed delivery dates due to the circumstances referenced above as well as the Truck routes we take.

Choose Your Pickup Date Carefully:

In order to safely avoid any scheduling conflicts with your personal arrangements, Kings Moving Services highly recommends NOT to schedule a flight or make similar travel plans on the same day of your move.

While Kings Moving Services will always take great pains to honor the scheduled commitments to you, several factors may occur that may affect our estimated time frames of arrival at your pickup location such as bad weather, traffic, road conditions and mechanical issues. Any claims must be in writing; sent in an email and or postal correspondence requesting a claims form.

To that end it is important that you request from us a pickup date that is no closer than 24 hours before embarking on any travel, possible time conflict commitments you have made and/or the date you have agreed with your landlord or realtor to vacate your premises.

Kings Moving services will NOT be held responsible for missed flights, re-scheduling flights or any fees that might occur.

Kings Moving Services No Hidden Cost Policy:

- Stairs: The first flight of stairs (up to 15 steps) is free of charge. Each additional flight of stairs (up to 15 steps) would be charged \$75 per flight of stairs.
- Elevator: If Possible, reserve an elevator in the building for the time when your belongings will be loaded or unloaded from the truck. A onetime fee of \$75 will be applied to your final cost for using an elevator up to 10 floors and \$150.00 over that.
- Long Carry: If the distance between the truck to the entrance of your home is more than 75 feet, the movers are not required to take the shipment inside unless you pay an extra fee.
