

Hi, I need to sell some things. Some items are barely used. LET'S MAKE A DEAL! =)

*I tried to sell my TV before the move but decided to keep it since I was not getting good offers.* 

I use this table top as my desk. It was in perfect shape before the move.

Close-up of the dents.

damaged wardrobe box

my cracked TV screen

another shot of the TV

this was a clean, gray, and smooth paper shredder basket before the move.

DO NOT STACK

DISHES

somehow my espresso machine survived this, but it was very dusty inside for some reason, almost like sawdust

this was one of the first boxes that came out of the shell, left an impression
