I am currently facing extreme mental stress due to repeated requests for additional charges and the lack of proper communic
your team. Despite multiple attempts to reach out via phone, I have not received any response, which has only added to my
and anxiety.
I would like to clearly state that I am not in a financial position to pay any additional charges at this time. I already
communicated and expectation that my item would be delivered on May 20th, and I expect that commitment to be honored w
demands and delays .
If anything unfortunate happens to me as a result of this ongoing stress and harassment, I hold the Gautam and Vijay and Ma
Florence team responsible.
Still I do not know what is the condition of my item and whether they will support or not . Even they writing everything but at t
support they are denying on each and every and show me the quotation
For my Family :- Here I am with my family in UAE and they guys are doing mentally harassment since last 2 days . You can c
everything over my whatsapp and phone recordings . I have paid them approx 4800 AED . Do not know the florence team wi
than this in the coming time .
