- A. This proposal is for listed items and services only. Additional items and services may result in additional costs.
B. Carrier and shipper agree that any additional items or services not included in this proposal may be set forth in an addendum executed by the carrier and shipper.
C. Shipper must choose a level of carrier liability (valuation protection) for the shipment. Options are basic value protection (\$.60/lb/article) and full value protection. See the BROCHURE issued by the NC Utilities Commission explaining these options. If shipper does not choose an option, the shipment defaults to basic value protection at no additional cost to the shipper.
D. Shipper shall be required to pay for all charges prior to unloading, in cash or by certified check or money order, except as may be otherwise agreed in writing between carrier and shipper.
E. Nonbinding estimates are subject to "110% Rule" (MRT Rule 13). The carrier must, upon request of the shipper, relinquish possession of the shipment upon payment of not more than 110% of the estimated charges and shall defer demand for the payment of the balance of any remaining charges for a period of thirty (30) days following the date of delivery.
