3. DISCLOSURES: Packing materials/labor are not included and will be charged per items ordered on the packing materials list. The space reservation option, if selected by shipper, may be used to determine charges. Bill of Lading is the controlling shipping contract. All charges including additional services will be charged based on the full tariff rates. See reverse side for important information including arbitration information. **Inspection of Tariff:** Tariff is available for inspection upon reasonable request by calling carrier. **Agreed pickup/Delivery periods:** Pickup and delivery dates are not guaranteed. The first date indicated as available for delivery is first date of the delivery window and not the promised delivery date. Pick-up and delivery dates are not guaranteed. **Filing of claims:** Carrier shall not be liable for the loss or damage of the goods unless claim is made in writing supported by proof of ownership, value, and weight. As a condition precedent, all outstanding monies due to the carrier must be paid in full before any claim can be made. Claims must be filed within 9 months of delivery or demand thereof is refused and must be limited to the destination descriptions of damages for each item on the inventory logs. All damages and missing items must be noted on the inventory logs. Damage indications must specify each item damaged at the time of delivery. Shipper or agent has full authority to order services and enter into agreement. **Special Services:** The space reservation option, if selected by shipper, may be used by the carrier to determine charges. Shipper will be notified of final charges prior to delivery and while in transit. On interstate moves an 18 wheeler may be used to deliver the property. If destination address does not have access for an 18 wheeler the shipper will be required to pay for shuttle service. Full re-handling/delivery fees are applied when the carrier must make a second attempt to deliver the property if for any reason the shipper did not accept delivery on the first attempt. All charges including additional services will be charged based on the full tariff rates. For all estimates there may be additional charges for flights of stairs, elevators, extra drop-offs or pick-ups, re-delivery, long carriers, and shuttles for residences in restrictive areas. I have received the arbitration information and the booklet: Your Rights and Responsibilities When you Move and pamphlets Ready to Move and Valuation/Insurance.

INTERSTATE BILL OF LADING CONTRACT - VALUATION ADDENDUM

AMERICAN EAGLE MOVING LLC

TEL: 1-844-239-8463 DOT #: 3030473 ICC/MC #: 39101

Customer Name: Jennet Preston	Order # 8077168	Pick up Date: 12/18/17
---	---------------------------	----------------------------------

VALUATION OF COVERAGE AND WAIVER: Carrier provides two valuation options: Limited liability and full replacement value (FVP). Both plans cover furniture and boxes packed/unpacked by Carrier. We suggest you purchase third party insurance to protect your property. By signing this form, you are waiving certain valuable coverage which protects your property above the minimum amounts set by law. Please read carefully before making your selection. Notwithstanding the minimum valuation of \$0.60 per pound per article and in compliance with and subject to the limitations and provisions of 49 CFR:Section 375.3701(a); carrier cannot control whether proper packing methods are used, on boxes packed by the owner as well as pressed wood (particle board) furniture, liability is limited - carrier is also not responsible for fragile or brittle items such as glass, china, ornaments, etc., where allowed by law. The carrier has the right to inspect and repair any alleged damage. Carrier is not liable or negligent for any damage to the interior or exterior of any residence including, but not limited to walls, floors, ceilings, stairs, banisters, carpets, plumbing, landscaping, etc.

THE CONSUMER MUST SELECT ONE OF THESE OPTIONS FOR THE CARRIER'S LIABILITY FOR LOSS OR DAMAGE TO YOUR HOUSEHOLD GOODS CUSTOMER'S DECLARATION OF VALUE
THIS IS A STATEMENT OF THE LEVEL OF CARRIER LIABILITY —IT IS NOT INSURANCE

-----Select Option 1 or Option 2 -----

OPTION 1

The Cost Estimate that you receive from your mover **MUST INCLUDE** Full (Replacement) Value Protection for the articles that are included in your shipment. If you wish to waive the Full (Replacement) Value level of protection, you must complete the **WAIVER** of Full (Replacement) Value Protection shown below.

Full (Replacement) Value Protection is the most comprehensive plan available for protection of your goods. If any article is lost, destroyed, or damaged while in your mover's custody, your mover will, at its option, either: 1) repair the article to the extent necessary to restore it to the same condition as when it was received by your mover, or pay you for the cost of such repairs; or 2) replace the article with an article of like kind and quality, or pay you for the cost of such a replacement. Under Full (Replacement) Value Protection, if you do not declare a higher replacement value on this form prior to the time of shipment, the value of your goods will be deemed to be equal to \$6.00 multiplied by the weight (in pounds) of the shipment, subject to a minimum valuation for the shipment of \$6,000. Under this option, the cost of your move will be composed of a base rate plus an added cost reflecting the cost of providing this full value cargo liability protection for your shipment. If you wish to declare a higher value for your shipment than these default amounts, you must indicate that value here. Declaring a higher value may increase the valuation charge in your cost estimate. The Total Value of my shipment is: \$ _____ Deductible: \$ _____
(to be provided by customer)

I acknowledge that for my shipment I have: 1) **ACCEPTED** the Full (Replacement) Level of protection included in this estimate of charges and declared a higher Total Value of my shipment (if appropriate); and 2) received a copy of the "Your Rights and Responsibilities When You Move" brochure explaining these provisions.

Dollar Estimate of the cost of your move at Full (Replacement) Value Protection:	\$ _____	Customer's signature	Date
--	----------	----------------------	------

OPTION 2

WAIVER of Full (Replacement) Value Protection. This lower level of protection is provided at no additional cost beyond the base rate; however, it provides only minimal protection that is considerably less than the average value of household goods. Under this option, a claim for any article that may be lost, destroyed, or damaged while in your mover's custody will be settled based on the weight of the individual article multiplied by 60 cents. For example, the settlement for an audio component valued at \$1,000 that weighs 10 pounds would be \$6.00 (10 pounds times 60 cents). **COMPLETE THIS PART ONLY** if you wish to **WAIVE** The Full (Replacement) Level of Protection included in the higher cost estimate provided above under Option 1 for your shipment and instead select the **LOWER Released Value of 60-cents-per-pound Per Article**; to do so you must initial and sign on the lines below-

I wish to Release My Shipment to a Maximum Value of 60-cents-per-pound per Article: Customer Initials: **[Signature]**

If selected, please write: "60 cents per pound per article"

I acknowledge that for my shipment I have: 1) **WAIVED** the Full (Replacement) Level of protection, for which I have received an estimate of charges, and 2) received a copy of the "Your Rights and Responsibilities When You Move" brochure explaining these provisions.

This document is provided to inform you of all optional post-contract services available to you. These optional services are not included in your estimate and must be ordered and paid for separately. If you wish, you may order any of these services at an additional charge. Unless the service listed below is ordered by the shipper the moving company is not required to perform that service. For example if long carry is necessary to deliver the property into the home, then this optional service must be ordered and paid in full prior to that service to be performed. Under 49 USC 13707(b)(3)(C) payment for all post contract optional services is required before delivery and prior to unloading. For non-binding estimates, the 110% law does not apply to post-contract services. Optional post contract services must be paid in full before delivery and prior to unloading.

The following optional services and charges will **only** affect your total balance due if the service is requested and necessary to be performed in order to complete final delivery to your destination.

Understanding Your Estimate

Update Your Remarks Utilize the HTML Editor to edit your company policy remarks. Long Distance

Our company guarantees a binding estimate as long as the customer provides an accurate description of the inventory list of the household items to be moved. In case any items need to be added, the customer has up to 72 hours prior to the move date to revise the list for the estimate to be guaranteed. Packing services are not included unless specified in the quote. Full Packing services are available for a flat rate. Speak to your representative for details. If on the day of the move the customer has additional items not listed on the quote the customer will be charged for those items according to the rate stated per cubic foot for the extra space those goods will take on the truck. In such a case the client will receive a revised estimate so they are made aware of any overages beforehand. Please be as clear as possible with your inventory so we can provide the best service possible and avoid any discrepancies on move day. Physical survey waiver agreement: in accordance with 49 CFR Section 371.113(c)(1), shipper agrees to waive a physical survey of the household goods and alternatively agrees to receive an estimate based upon the shipper-provided list of property to be transported
